The Nominating Committee proposes the re-election of the accounting firm PricewaterhouseCoopers AB as the Company's auditor until the end of the AGM 2015. PricewaterhouseCoopers AB intends to appoint authorized auditor Martin Johansson as auditor-in-charge.

Item 12

The Nominating Committee proposes that the AGM resolves to appoint a nominating committee for the AGM 2015 in accordance with the following principles. The AGM instructs the Chairman of the Board to contact the shareholders or group of shareholders controlling the four largest numbers of votes (both direct-registered shareholders as well as nominee-registered shareholders), based upon Euroclear Sweden AB's transcription of the share ledger as per 30 September 2014. Who will each elect a representative that together with the Chairman of the Board will form the nomination committee for the period until a new nomination committee has been elected following the forthcoming AGM. Should any of the shareholders or group of shareholders controlling the four largest numbers of votes not want to elect such a representative, then the shareholder or group of shareholders controlling the fifth largest number of votes, and so on, shall elect a representative until the nomination committee consists of five members.

The majority of the members of the nominating committee shall be independent in relation to the Company and the company management. At least one of the nominating committee's members shall be independent in relation to the shareholder or group of shareholders controlling the largest number of votes and who co-operates with the management of the Company. The Managing Director or any other person from the company management may not be a member of the nominating committee. Board members may be members of the nominating committee but shall not constitute a majority of its members. If more than one board member is a member of the nominating committee, then only one of them may be dependent in relation to the Company's larger shareholders. The nominating committee shall elect a chairman within the committee. The Chairman or any other Board member shall not be chairman of the nominating committee. The names of the members of the nominating committee shall be made public no later than six months prior to the AGM 2015. Should any member of the nominating committee resign while the nominating committee is still in office and if the nominating committee considers that there is a need to replace that member, then a new member shall be appointed following the above principles, however based upon Euroclear Sweden AB's transcription of the share ledger at the earliest possible moment after such member has resigned. Changes in the composition of the nominating committee shall be made public promptly. No remuneration shall be paid for the nominating committee's work. However, the nominating committee shall receive remuneration for reasonable expenses, including any costs for external advisors who the nominating committee deems necessary to engage for the due performance of its assignment.

The total remuneration to the Group management shall consist of (i) fixed salary (which shall be adjusted yearly) (ii) variable salary (which shall amount to a maximum amount corresponding to the annual basic salary), (iii) insurable benefits and (iv) other benefits (which shall correspond to what normally occurs within the market). The termination period shall be a maximum twelve months upon termination initiated by the Company and a maximum six months upon termination initiated by a member of the Group management. In individual cases the Board may approve severance pay in addition to the termination period. Severance pay may only be paid following termination by the Company's part or where a member of the Group management resigns due to a significant change in the work situation, which would result in him or her not being able to perform the work satisfactorily. The Board shall reserve the right to deviate from these guidelines in individual cases if there is special reason for this.
